

Re-issue of an existing certificate

For dogs that are already in our database, we can re-issue a certificate in the event that the original is lost or damaged. This can only be issued to the owner of the dog. Please complete the form below and send one form for each request, a copy of the CKC registration, and cheque for \$15.00 payable to the University of Guelph. If you wish a paper copy of the certificate, please include a self-addressed envelope with sufficient postage for return (envelopes measuring less than 8.5 x 11" will result in a folded certificate). If a paper copy is not required, an electronic copy will be forwarded to you at the email address you provide.
