Over 85 clinics across Canada
in Alberta, British Columbia,
Ontario, Quebec and
Saskatchewan

Associate Veterinary Clinics (AVC) is Canada's largest network of over 85 companion animal hospitals devoted to providing compassionate care for pets. Our team of over 2500 members, including 350 veterinarians, operate specialty-referral, primary care, alternative therapy and emergency hospitals in five provinces, and are committed to providing superior patient care and an exceptional client experience. We are dedicated to supporting and enhancing the veterinary industry and profession, and are committed to long-term viability through market leading initiatives and programs focused on our patients and clients.
