RESIDENCY PROGRAM  
Veterinary Clinical Sciences (259012)  
2019-2022

**JANUARY 15th, 2019: DEADLINE TO RECEIVE FULL APPLICATION**

**POSITION:** EQUINE INTERNAL MEDICINE

**NUMBER OF POSITIONS AVAILABLE:** 1

**DESCRIPTION:**
This residency is a 3-year (36 months), full time, post-graduate program of 108 credits obtained mostly from clinical training. A diploma (D.E.S.) is awarded on completion of the program. The intensive clinical training is concentrated in the field of equine internal medicine. There is additional training in other selected specialties in order to meet the requirements of the American College of Veterinary Internal Medicine (Large Animal Internal Medicine). The resident will participate in the clinical examination of animals (outpatients, emergencies and hospitalized patients) and in the daily supervision of interns and undergraduate students during their rotations in equine internal medicine. He (she) may also be asked to supervise the teaching laboratories of junior students. The resident will also participate in emergency duty according to the Equine Hospital requirements. The resident is required to complete a research project, for which financial support is available. Residents are eligible for 3 weeks of holidays per year. Veterinary medical activities performed outside the residency program are not allowed. A master’s or a PhD program may be offered after satisfactory completion of the first year.

**REQUIREMENTS:**
- Doctor of Veterinary Medicine (DVM) or equivalent
- Have completed an internship or have equivalent experience
- License from the Ordre des Médecins Vétérinaires du Québec before starting the program
- Working knowledge of French

**TUITION FEES (Amounts shown are in Canadian currency):**
- Landed immigrants and Canadian citizens living in Quebec, French citizens, Francophone Belgian citizens: +/- $5,000 / year
- Landed immigrants and Canadian citizens not living in Quebec: +/- $12,000 / year
- Other nationalities: +/- $26,000 / year

For information regarding the eligibility criteria and procedures to apply for scholarships for foreign student tuition fees, please contact: s.bilodeau@umontreal.ca

**SALARY:**
- $25,000 /1st year
- $27,000 /2nd year*
- $29,000 /3rd year*

*Continuation of a second and third year depends on the mutual satisfaction of the resident and the Faculty.

The resident is allotted a total amount of $2,500 to attend two conferences in his specialty during his/her program. (maximum amount per activity: $1,500).

**PROGRAM DURATION:** June 25th, 2019 to June 23th, 2022

**APPLICATION:**
Any interested applicant must complete by **January 15th, 2019 at the latest** all following procedures:
- the application; [https://admission.umontreal.ca/admission/depot-de-la-demande/demande-dadmission](https://admission.umontreal.ca/admission/depot-de-la-demande/demande-dadmission) ($99 fee) and submit the following documents: a letter of intent, a resume (CV), a photograph;
- the evaluation sheet, (to be sent by post to the address indicated on the application form)
- Students having done a traineeship at the University Hospital must provide their traineeship assessment with their application.

**International students must also provide:**
- a copy of the passport and
- transcript for each year of veterinary degree specifying GPA and class rank

**Important:** Please indicate the position you are interested in on the application form

**Candidate selection**
The selected candidate will be contacted on **March 1st, 2019** by phone and email. Each candidate will have 24 hours to accept or decline the position. If a candidate withdraws, the next candidate on the rank list will be contacted until all positions are filled. The rank list will not be disclosed. This process can take several days. Candidates on the waiting list will be notified by email and a written letter. Candidates not selected will be notified in writing.
