RESIDENCY PROGRAM  
Veterinary Clinical Sciences (259012) 
2019-2022

April 1st, 2019: DEADLINE TO RECEIVE FULL APPLICATION

POSITION: THERIOGENOLOGY – LARGE ANIMALS (BOVINE EMPHASIS)

NUMBER OF POSITIONS AVAILABLE: 1

DESCRIPTION:
This residency in large animal theriogenology is a 3-year (36 months), full time, graduate program of 108 credits obtained mostly from clinical training. A specialized study diploma (D.E.S.) is awarded on completion of the program. Three board certified members of the American College of Theriogenologists will be involved in the training program. The goals of the program are to:

- Provide clinical training in reproduction such that the resident is prepared for a future career in academic or specialized private practice
- Provide opportunity to acquire basic and applied knowledge in all areas of theriogenology in order to fulfill the requirements for the examination for certification of the American College of Theriogenologist and/or the European College of Animal Reproduction
- Provide an introduction to clinical research and critical thinking towards scientific literature

Duties:
- Rotations in the teaching hospital and ambulatory service to handle cases in equine, bovine and small ruminants.
- Clinical duties will include case management of inpatients and outpatients (breeding management, reproductive disorders, assisted reproductive technology, herd management and andrology. The resident will be on emergency duty 17 weeks/year and one-third of the holidays.
- Conducting a research project, assisting in the teaching and supervision of students in the theriogenology program will be considered as part of the resident's duties.

A master’s program may be offered after satisfactory completion on the first year.

REQUIREMENTS:
- Doctor of Veterinary Medicine (DVM) or equivalent
- Have recently completed an internship or have equivalent experience
- License from the Ordre des Médecins Vétérinaires du Québec before starting the program
- Working knowledge of French

TUITION FEES (Amounts shown are in Canadian currency):
- Landed immigrants and Canadian citizens living in Quebec, French citizens, Francophone Belgian citizens: +/- $5,000 / year
- Landed immigrants and Canadian citizens not living in Quebec: +/- $12,000 / year
- Other nationalities: +/- $26,000 / year

For information regarding the eligibility criteria and procedures to apply for scholarships for foreign student tuition fees, please contact: s.bilodeau@umontreal.ca

SALARY:
- $27,000 /1st year
- $29,000 /2nd year
- $31,000 /3rd year
To these amounts are added 3% for benefits and 3.6% for the payment of public holidays.

* Continuation of a second and third year depends on the mutual satisfaction of the resident and the Faculty.

The resident is allotted a total amount of $3,000 to attend two conferences in his specialty during his/her program. (maximum amount per activity: $1,500)

PROGRAM DURATION: September 2nd, 2019 to September 2nd, 2022

APPLICATION:
Any interested applicant must complete by April 1st, 2019 at the latest all following procedures:
- the application; https://admission.umontreal.ca/admission/depot-de-la-demande/demande-dadmission ($99 fee) and submit the following documents: a letter of intent, a resume (CV), a photograph;
- three evaluation sheets, (to be sent by post to the address indicated on the application form)
- Students having done a traineeship at the University Hospital must provide their traineeship assessment with their application.

International students must also provide:
- a copy of the passport and
- transcript for each year of veterinary degree specifying GPA and class rank

Important: Please indicate the position you are interested in on the application form

Candidate selection
The selected candidate will be contacted on April 15th 2019 by phone and email. Each candidate will have 24 hours to accept or decline the position. If a candidate withdraws, the next candidate on the rank list will be contacted until all positions are filled. The rank list will not be disclosed. This process can take several days. Candidates on the waiting list will be notified by email and a written letter. Candidates not selected will be notified in writing.
