NOVEMBER 15th, 2018: DEADLINE TO RECEIVE FULL APPLICATION

POSITION: THERIOGENOLOGY – LARGE ANIMALS (EQUINE EMPHASIS)

NUMBER OF POSITIONS AVAILABLE: 1

DESCRIPTION:
This residency in large animal theriogenology is a 3-year (36 months), full time, graduate program of 108 credits obtained mostly from clinical training. A specialized study diploma (D.E.S.) is awarded on completion of the program.

Two board certified members of the American College of Theriogenologists will be involved in the training program.

The goals of the program are to:
- Provide clinical training in reproduction such that the resident is prepared for a future career in academic or specialty private practice
- Provide opportunity to acquire basic and applied knowledge in all areas of theriogenology in order to fulfill the requirements for the examination for certification of the American College of Theriogenologist and/or the European College of Animal Reproduction
- Provide an introduction to clinical research and critical thinking towards scientific literature

Duties:
- Rotations in the teaching hospital to handle cases in equine, bovine and small animal reproduction
- Clinical duties will include case management of inpatients and outpatients (breeding management, reproductive disorders, Assisted Reproductive Techniques, herd management and andrology. The resident will be on emergency duty 24 weeks/year and one-third of the holidays.
- Conducting a research project, assisting in the teaching and supervision of students in the theriogenology program will be considered as part of the resident’s duties.
- The resident contributes to the daily supervision of trainee students in the theriogenology service. He/she may be asked to supervise the teaching laboratories for veterinary students.

A master’s program may be offered after satisfactory completion on the first year.

REQUIREMENTS:
- Doctor of Veterinary Medicine (DVM) or equivalent
- Have recently completed an internship or have equivalent experience
- License from the Ordre des Médecins Vétérinaires du Québec before starting the program
- Working knowledge of French

TUITION FEES (Amounts shown are in Canadian currency):
- Landed immigrants and Canadian citizens living in Quebec, French citizens, Francophone Belgian citizens : +/- $5,000 / year
- Landed immigrants and Canadian citizens not living in Quebec : +/- $12,000 / year
- Other nationalities : +/- $26,000 / year

For information regarding the eligibility criteria and procedures to apply for scholarships for foreign student tuition fees, please contact: s.bilodeau@umontreal.ca

SALARY:
- $25,000 /1st year
- $27,000 /2nd year
- $29,000 /3rd year

* Continuation of a second and third year depends on the mutual satisfaction of the resident and the Faculty.

The resident is allotted a total amount of $2,500 to attend two conferences in his specialty during his/her program. (maximum amount per activity: $1,500)

PROGRAM DURATION: Between January 14th, 2019 and March 18th 2019 (beginning dates) to January 16th 2022 and March 13th 2022 (ending dates)
