INTERNERSHIP IN VETERINARY CLINICAL SCIENCES (I.P.S.A.V. - 259016)
2018-2019

JANUARY 15th, 2018: DEADLINE TO RECEIVE FULL APPLICATION

POSITION: FIELD INTERNSHIP IN THERIOGENOLOGY

NUMBER OF POSITIONS AVAILABLE: 1

DESCRIPTION:
This internship in veterinary clinical sciences is an intensive graduate training program of 12 months duration (53 weeks). This program offers the opportunity to develop relevant clinical experience in the field of theriogenology, to participate in a clinical research project communicating results in an oral and written presentation, develop communication skills and transfer knowledge by teaching students enrolled in the DMV and General internship program, increase the number of trained clinical graduate veterinarians to meet the needs of the profession and society. The veterinarian enrolled in this program will be integrated into the operation of the theriogenology service of the Veterinary Teaching Hospital (CHUV). The chosen candidate will direct his effort on large animal reproduction and more specifically on assisted reproductive techniques such as embryo collection and transfer, freezing of semen and embryos as well as the management and manipulation of the estrous cycle. For more information, please contact Réjean Lefebvre (rejean.lefebvre@umontreal.ca)

The intern enrolled in this program will work in the Centre Hospitalier Universitaire Vétérinaire (CHUV). Interns provide out of hours and emergency care for patients of the bovine services on a rotating basis. Interns are eligible for 3 weeks vacation determined by the section head. Any professional activities performed outside the internship program must be declared to the associate dean for clinical training and continuing education.

REQUIREMENTS:
- Doctor of Veterinary Medicine (DVM) or equivalent
- Have recently completed an internship or an equivalent experience in private practice
- Working knowledge of French

TUITION FEES (Amounts shown are in Canadian currency):
- Landed immigrants and Canadian citizens living in Quebec, French citizens: +/- $4,800 / year
- Landed immigrants and Canadian citizens not living in Quebec: +/- $12,000 / year
- Other nationalities: +/- $26,000 / year

For information regarding the eligibility criteria and procedures to apply for scholarships for foreign student tuition fees, please contact: diane.rodier@umontreal.ca

SALARY: The candidate receives $18,000 for 53 weeks.

Intern responsibilities:
(1) Out-of-hour duties based on the clinical schedule;
(2) Patient care during undergraduate student's vacation;
(3) Clinical teaching duties.

PROGRAM DURATION: May 14th, 2018 to May 19th, 2019 (For the intern on call, the program will end at 8:00 am the next day)

APPLICATION:
Any interested applicant must complete the application form for graduate students https://admission.umontreal.ca/en/admissions/graduate-studies/submit-an-application/ ($96.50 fee) by January 15th, 2018 at the latest. By this date the applicant must also provide all following documents:
- a letter of intent,
- a resume (CV),
- a photograph,
- three reference letters each accompanied by the personal evaluation grid, (change to evaluation form)
- Students having done a traineeship at the University Hospital must provide their traineeship assessment with their application.

For international students must also provide:
- a copy of the passport and
- transcript for each year of veterinary degree specifying GPA and class rank

by mail to the following address:

Admission - numérisation
Université de Montréal
P.O. Box 6205, station Centre-ville
Montréal (Québec) H3C 3T5
Canada

Important: Please indicate the position you are interested in on the application form

Candidate selection
The selected candidate will be contacted on March 1st, 2018 by phone and email. Each candidate will have 24 hours to accept or decline the position. If a candidate withdraws, the next candidate on the rank list will be contacted until all positions are filled. The rank list will not be disclosed. This process can take several days. Candidates on the waiting list will be notified by email and a written letter. Candidates not selected will be notified in writing.
