INTERNSHIP IN VETERINARY CLINICAL SCIENCES (I.P.S.A.V. - 259011)
2018-2019

JANUARY 15th, 2018: DEADLINE TO RECEIVE FULL APPLICATION

POSITION: SMALL ANIMAL MEDICINE

NUMBER OF POSITIONS AVAILABLE: 14

DESCRIPTION:
This internship in veterinary clinical sciences is an intensive clinical training program of 12 months (53 weeks) duration. A certificate is awarded upon completion of the program. The program includes clinical training and participation in clinical teaching rounds and teaching laboratories. Interns will work in the Centre Hospitalier Universitaire Vétérinaire (CHUV) and will be supervised by clinicians, professors and the program coordinator. Interns will have to provide for off hours services continuity and certain on-call duties. The surveillance of animals hospitalized by the zoological medicine service may be required during off hours with the collaboration of this service. Interns are eligible for three non-consecutive vacation weeks determined by the section head. Any professional activities performed outside the internship program must be declared to the Veterinary teaching hospital administrator.

REQUIREMENTS:
- Doctor of Veterinary Medicine (DVM) or equivalent
- License from the Ordre des Médecins Vétérinaires du Québec before starting the program
- Working knowledge of French

TUITION FEES (Amounts shown are in Canadian currency):
- Landed immigrants and Canadian citizens living in Quebec, French citizens: +/- $4,800 / year
- Landed immigrants and Canadian citizens not living in Quebec: +/- $12,000 / year
- Other nationalities: +/- $26,000 / year

For information regarding the eligibility criteria and procedures to apply for scholarships for foreign student tuition fees, please contact: diane.rodier@umontreal.ca

SALARY: The candidate receives $18,000 for 53 weeks.

Intern responsibilities:
1. Out-of-hour duties based on the clinical schedule;
2. Patient care during undergraduate student’s vacation;
3. Clinical teaching duties.

PROGRAM DURATION: June 25th, 2018 to June 30th, 2019 (For the intern on call, the program will end at 8:00 am the next day)

APPLICATION:
Any interested applicant must complete the application form for graduate students https://admission.umontreal.ca/en/admissions/graduate-studies/submit-an-application/ ($96.50 fee) by January 15th, 2018 at the latest. By this date the applicant must also provide all following documents:
- a letter of intent,
- a resume (CV),
- a photograph,
- three reference letters each accompanied by the personal evaluation grid, (change to evaluation form)
- Students having done a traineeship at the University Hospital must provide their traineeship assessment with their application.

International students must also provide:
- a copy of the passport and
- transcript for each year of veterinary degree specifying GPA and class rank

Students having done more than 3 months of training in the CHUV’s small animal hospital during their 5th year are exempt from providing 3 letters/grids, however evaluations of the training are to be annexed to the application. Letters and grids from veterinarians outside the CHUV are however welcome.

Important: Please indicate the position you are interested in on the application form

Candidate selection
The selected candidate will be contacted on March 1st, 2018 by phone and email. Each candidate will have 24 hours to accept or decline the position. If a candidate withdraws, the next candidate on the rank list will be contacted until all positions are filled. This rank list will not be disclosed. This process can take several days. Candidates on the waiting list will be notified by email and a written letter. Candidates not selected will be notified in writing.

For information on the admission process please contact:
