

DEEP SOUTH ANIMAL CLINIC LTD.

FULL TIME POSITION AVAILABLE

DEEP SOUTH ANIMAL CLINIC LTD. OGEMA, SK.

An Associate Veterinarian is required at the Deep South Animal Clinic Ltd. located in Ogema, Saskatchewan, one hour south of Regina. We are a well equipped large and small animal practice which has been established for over 60 years. Equipment includes two portable linear array ultrasound for large and small animal use, CR digital radiology equipment including dental radiology, gas anesthesia (isoflurane), Vetlab station which includes Catalyst 1 chemistry analyzer and Lasercyte DX, SurgiVet pulse oximeter, Serona dental cart, and equine PowerFloat. The large animal clinic includes two handling chutes (one hydraulic), hospital pens, tilt table, isolation ward and Aqua cow tank for handling down cows. Both large and small animal facilities have been designed to function smoothly and allow excellent care of hospitalized cases. More than 95% of the large animal obstetrical cases are in clinic.

The position requires an energetic, outgoing individual who is interested in a mixed animal practice. Beef cattle represent the largest case percentage, with a steadily growing equine and small animal caseload. Ogema is located in south central Saskatchewan, one hour from Regina and has excellent recreation facilities including a new community center, hockey arena and curling club, bowling alley, and a swimming pool. Trail rides and team-roping events are ongoing in the area. An excellent new indoor riding arena and stable facility is located in close proximity to town.

We feel our combination of up to date facilities, practice philosophy and enthusiastic, experienced staff makes this position an attractive place for you to practice high quality veterinary medicine. We will provide a competitive salary and an extensive benefits package, tailored to your needs. Associates who are interested in ownership possibilities are encouraged to apply.
