Clinic Name: Animal Health Services
Established veterinary hospital in St. Catharines is looking for an enthusiastic, motivated and organized summer student with the ability to multitask. Qualified candidates should possess strong technical, communication and interpersonal skills. This employment provides the individual with an opportunity to utilize and improve all of their skills, particularly in the field of venipuncture, radiology, surgical prep and monitoring as well as dealing with a wide range of clientele. Special interests in dermatology, internal medicine and nutrition would be an asset. Applicant must be able to work independently and as part of a team. Evenings and Saturdays required in addition to weekday hours. Interested applicants should email resume to animalhealthservice@bellnet.ca.
