Established veterinary clinic in St. Catharines is looking for an enthusiastic, motivated and organized student with the ability to multitask to work with our team for the summer of 2020. Qualified candidates should possess strong communication, interpersonal and technical skills. This position provides the individual with the opportunity to utilize and improve all of their skills, particularly in the fields of venipuncture, radiology, surgery prep and monitoring, computer data entry and dealing with a wide range of clientele. Special interests in dermatology, internal medicine and nutrition would be an asset. Applicant must be able to work independently and as part of a team. Evenings and Saturdays required. Interested applicants should email their cover letter and resumé to animalhealthservice@bellnet.ca.
