Completing your externship in the Grey-Bruce area and looking for employment for the remainder of the summer? The North Heritage Animal Hospital, in Owen Sound, is looking for a final year summer student. We are a busy clinic with a well trained support staff, a fun team oriented work environment and great clients! Students will find opportunity to improve their technical skills including radiology, surgical preparation and assistance, blood collection and IV catheter placement, as well as client communication skills within the exam room. As well, the option of addition, supervised, surgical opportunities may be available. Excellent communication skills, as well as the ability to work as a part of a team are required. Future job opportunities upon graduation may be considered. You can find more information about our clinic at northheritageah.com. Further questions or resumes can be sent to: Dr. Vamplew at svamplew@alumni.uoguelph.ca"
