EMPLOYMENT OPPORTUNITY 2nd or 3rd Year Veterinary Student

AAHA Accredited Hospital located in Surrey/Delta close to Vancouver in beautiful British Columbia. We have a large spacious, small animal hospital. We are a four-doctor practice and we are very proud of our team of technicians and other staff. Here at Scottsdale Veterinary Hospital, we take pride in the excellent medical and surgical care we provide to pets, and the care of, and education of their families.

During the summer position, the student will experience and be exposed to a variety of areas and tasks throughout the Veterinary Hospital. This will include, but is not limited to the following:

- Client education
- Communication with the client during admissions through to discharge
- Blood collection and prep (for bloods sent to IDEXX)
- In house lab tests including urinalysis and fecals, ELISA tests
- IV placement and monitoring of IV digital pumps
- Anesthesia monitoring, surgical prep & care, including dopler on every patient
- Dentistry: dental prophies, periodontal & endodontal therapy, and x-rays
- Nursing, caring for hospitalized patients
- Assisting the veterinarians as needed with care and comfort of our patients
- Record keeping , medical, surgical and pharmacological
- Computer billing for surgical and hospitalized patients
- Recording and taking digital radiographs
- Care and maintenance of radiological, surgical & medical equipment
- Inventory procedures and control
- Surgical mentoring for minor & routine surgeries
- Assistance to Board Certified Radiologist and Surgeon

We are recruiting for a student for the summer of 2017 who is caring, compassionate and has the desire to work hard and learn. If you have a positive attitude and like to work as part of a team, then this experience might be the perfect fit for you.

We have provided on the job training and mentoring for Veterinary students over many years. We look forward to helping you gain some valuable experience.
