

### **Instructions – CAF Animal Request form (electronic)**

Please keep in mind this is a new form and there may be some initial difficulties; I would greatly appreciate if you would let me know of any.

The research team/PI is be responsible for filling in all the black font areas. If the writing is pink (CAF Office) or grey (ACC), you're in the wrong spot!

Also, it's crucial when inputting a electronic signature, that you do not 'lock' the form.
