18. **Wellness@Work October is Healthy Workplace Month** [October calendar](https://ovc.uoguelph.ca/clinical-studies/) Visit [www.uoguelph.ca/wellnessatwork/fht-move-activity-challenge](https://ovc.uoguelph.ca/clinical-studies/) for more information about this fun and fit challenge and to learn how to register. Updated information will be posted on the Health & Safety Board on the 2nd floor and on the CS Website.

19. **One Health Poster Day** will be held in the Summerlee Science Complex Atrium on October 31, 2017 from 10:00 am – 3:00 pm. In celebration of **Global One Health Day** (November 3rd), CPHAZ is looking to highlight examples of research, service and teaching that link human, animal and ecosystem health happening on the University of Guelph campus or with our collaborators.

Everyone is encouraged to display posters describing their research, practicum experience, infographics, club information and initiatives all related to One Health research, education and awareness. This is not strictly for research posters. If you do not have a poster to display, join us and encourage your colleagues to stop in during the day to see all of the fascinating One Health activities going on at the University of Guelph!!
To register your poster, please send an email to cphaz@uoguelph.ca, and include the name of the person who will be displaying the poster, the poster title, authors and affiliations. Posters can be original or from other events – there are no size format requirements. Limited funding to assist with printing posters is available for students (include this need in your registration email). Students displaying posters for the day are eligible for a prize draw. The prize draw and celebratory speeches will occur at 12:30pm with light refreshments available at that time. Some space is available for booths if you have pamphlets or other materials that you would like to hand out or have on display, please email cphaz@uoguelph.ca for more information.
