**UPCOMING DEADLINES, EVENTS & SEMINARS**

13. The **“November Student-Staff/Alumni Co-Ed Hockey Tournament”** is an annual tradition at OVC. It is an opportunity for students to interact with faculty and staff in a fun social setting. The students form two ‘all-star’ teams (players from phases 1+4 and phases 2+3) and then play against faculty/staff/alumni teams. We are seeking a mix of women and men that can show these young whipper snappers that OVC hockey players age like a fine wine. All skill levels are welcome. If you would like to participate in this tournament, please let me know ASAP by e-mail (bbridle@uoguelph.ca). If you have any graduate students that might want to play, please let me know that too. Ideally, I would like to have a rough estimate of the number of potential players. That way we can determine how many teams we can field. After that, the DVM students will plan the tournament, which will take place in the latter part of this month (November; exact dates and times to be determined). I can tell you from experience that participation from a good number of faculty, staff and alumni really helps to boost student morale.

By the way, the faculty/staff/alumni are the defending champs 😊

Kind regards, Byram Bridle

14. **2017 Schofield Memorial Lecture** featuring Dr Ilaria Capua, DVM, PhD will be held November 14, 2017 in 1714 LLC starting at 12:30 pm. **“Fasten your seat belts: A veterinarian’s life is not necessarily what you had planned for”**

15. **Mapping the Scholarship of Teaching and Learning Survey Across Canada** SoTL Canada, an affiliated group of the Society for Teaching and Learning in Higher Education (STLHE), is conducting a survey through which we hope to gain insight into the SoTL activities of faculty and staff at institutions of higher learning across Canada. The
information gathered from this survey will be used to create of comprehensive “map” of SoTL activities across the country. It is anticipated that this knowledge will yield many positive outcomes, such as facilitating collaborations and leveraging expertise. More details
The survey is anonymous and should take about 10-15 minutes to complete, and can be found at: https://www.surveymonkey.com/r/8NJGWZH. The survey closes on December 31st 2017.

16. The **Ontario Graduate Scholarship** application is now available on the Office of Graduate & Postdoctoral Studies website. The Ontario Graduate Scholarship (OGS) Program recognizes academic excellence in graduate studies at the master's and doctoral levels in all disciplines of academic study. The program is jointly supported by funds provided by the Ministry of Advanced Education and Skills Development (‘Ministry’) and funds provided by the University of Guelph. The Ministry contributes two-thirds of the value of the award and the university provides one-third. (Important: Students must apply for OGS at the institution where they are/or plan to be registered in a master's or doctoral program in 2018-19. The OGS is not transferrable; it must be held at the institution at which it was awarded.) Please refer to our website for complete details on eligibility and how to apply to the OGS at Guelph.

**Deadline to Apply:** January 31, 2018

Value: $15,000 total for one year ($5,000/semester for three semesters)

If you have any questions about the OGS, please contact the Graduate Program Assistant in your department, or send an email to the Graduate Awards Officers (grschol@uoguelph.ca)
