7. Invitation to **apply** to the **Inquire Certificate in the Scholarship of Teaching and Learning program** through Open Learning and Educational Support. Inquire is a 16-month program for faculty, instructors, professional staff, and upper-level PhD students who are interested in conducting a research project on their teaching.

   During this program, participants will:
   - Develop and implement a research project on teaching and learning in higher education
   - Contribute to the scholarly discourse of research on teaching and learning within and beyond the University of Guelph community by disseminating their research
• Collaborate with colleagues from various disciplines across the University to develop knowledge and skills as SoTL researchers
• Critically reflect on the research process and results to continuously enhance professional development and practice as both researcher and instructor

More information about the program and the application form can be found at the Inquire website. The application deadline is April 15, 2018.
Questions? Contact Sara Fulmer, Educational Developer at fulmers@uoguelph.ca.

8. OVC Grant Writing Workshop Following review of feedback obtained through the survey recently sent, I am pleased to confirm a Grant Writing Workshop will be held at OVC on May 16 and 17, 2018 from 8:30 am to 4:15 pm.
We will shortly send out to all participants electronic materials related to the workshop in advance of the meetings. At that time we will also confirm location of the sessions. Please confirm your participation in the workshop by sending an email to ovcdean@uoguelph.ca and mark your calendars for these two dates. Your confirmation is required by April 13th, 2018 at which time we may be able open the workshop beyond OVC faculty in order to ensure optimal use of this expertise.

9. Faculty Writing Retreat Are you trying to find time this summer to work on an article or book chapter? Join the group for the 6th Annual Faculty Writing Retreat. Full details
Monday to Friday, May 14-18, 2018
9:15am-4pm
Location: McLaughlin Library
To participate, you must be working on a specific writing project and be at a stage at which focused writing time makes sense (i.e., finished your research). Participants should also be able to attend all five days of the retreat.
Registration is online https://www.lib.uoguelph.ca/workshops-events/faculty-writing-retreat, and it fills up quickly. Registration will be limited on a first-come, first-served basis.

10. The Multiple Mini Interviews (MMI) for domestic candidates applying to the DVM program will be held on May 14 – 18, 2018 on the third floor of the MacKinnon Building.
Please help by signing up for interviews during that week. Online Registration
Each shift is two hours long, starting at 8AM, 10AM, 12PM, 2PM or 4PM. You will be at a 'station' with a partner, usually a DVM student, and will be interviewing 8 candidates per shift. Any time you can contribute is very much appreciated!
Before the interviews, you will be sent a link to the confidential training video to review. There will be a very short review of the MMI before each shift but the video is recommended to acquaint you with the rationale of the MMIs and how they work. We also require two DVMs per shift to assess the station where candidates’ Background Information Forms (BIFs) are reviewed. This would involve reviewing the 8 candidates’ BIFs beforehand and communicating with your fellow assessor for that shift to decide what part of the BIFs you will ask the preset standardized questions about. If you would be willing to do one shift at the ‘BIF station’ please let us know by email to lowenger@uoguelph.ca.
Thank you so much! Elizabeth Lowenger, MSc, Manager, Student Affairs
