5. MEDICAL SLIPS FOR STUDENTS: DOCUMENTING STUDENTS’ ILLNESSES Please review the attached document regarding Medical Slips for students from Charlotte Yates, Provost and Vice-President (Academic)

6. KITCHEN REMINDER Dirty dishes are not to be left in the sink in either kitchen. Please remember to wash your dishes and return any borrowed cutlery and dishes to the kitchen drawers or cafeteria where they belong. A little housekeeping help along the way will keep our kitchens clean and accessible for all to use.

7. ESSENTIAL POWER NOTIFICATION The essential power will be down from 7:00 am – 8:00 am on Wednesday, September 19, 2018 while a new circuit breaker and outlet is installed in the freezer room.

UPCOMING DEADLINES, EVENTS & SEMINARS

8. Survey ends Tomorrow! During the summer a request was sent to faculty to participate in a survey about proficiency in assessing the quality of published medical literature. If you have already participated – thank you!
If you have not yet had a chance, the survey has taken an average of just 5 minutes to complete, and participants have a chance to win one of two $50 cafeteria gift cards as a token of our appreciation. You will also receive a brief summary of the results of the survey.
I have been involved in this project with Dale Lackeyram and Jeni Spencer of Open Ed as a pilot for a larger investigation into how Competency #9 is addressed in DVM curricula at OVC and elsewhere, and would very much appreciate your input. The survey is anonymous and only aggregate, de-identified data are available for analysis.
The survey will close at midnight Tuesday, September 18th, 2018. Thanks for your support – Brad Hanna

9. Annual Fire Drills The Ontario Fire Code requires that the University conduct annual fire drills to familiarize building occupants with the sound of the fire alarm and to practice safe evacuation procedures. The University’s policy requires that all occupants evacuate a building during a fire alarm, and it is imperative that all University students, faculty, staff and campus visitors comply. This year’s fire drills will begin on Monday, September 17, 2018 and will continue through the month and into the beginning of October (if needed).
