3. **GRAND ROUNDS!** This week’s seminar on **Wednesday, December 5, 2018** will be held at 8:30 – 9:30 am in Rm 1714 LLC. Presenting this week:

   Jenny Stiller  
   &  
   Michelle Colpitts

UPCOMING DEADLINES, EVENTS & SEMINARS

4. **Adopt-A-Family** OVC will be sponsoring 3 families through the Children’s Foundation again this year. Donation boards have been set up throughout OVC with gift tags attached. Items on the gift tags have been selected with input from the families. If you would like to support these families, choose a gift card, purchase the item and drop it off with Linda Wing on or before **December 4, 2018**.

5. **HSC UPDATE: SPD Move to New Space** Starting this week, the SPD department will be moving into their new space. We are excited about the move, and want to ensure that we still meet the requirements of the HSC. On **Monday, Dec 3rd**, the contractor will re-clean the new SPD space, on **Tuesday, Dec 4th**, Steris will conduct their training, **Wednesday, Dec 5th** we will move the entire SPD space, and on **Thursday Dec 6th** we will be relocating the Autoclave. I want to assure everyone that we will do our best to have minimal impact on the operation, but would ask everyone to be understanding if we are slower to respond to your requests. If you have any questions or concerns, please let Brent Rumford know.

6. **United Way Update:** A huge THANK YOU for pledging support you’re your participation in the many United Way events over this past season and year! The University of Guelph has raised $631,192 to date for the 2018 campaign.

7. **New Name for OMAFRA-UofG Partnership**

   We are pleased to inform you of the new name and tagline for the University of Guelph’s partnership with the Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA). The OMAFRA-U of G Partnership is now called the **Ontario Agri-Food Innovation Alliance** with the tagline **Ontario Solutions. Global Impact.** We featured the new name at the Royal Agricultural Winter Fair in the joint OMAFRA-U of G exhibit ‘A Place to Grow.’

   The Ontario Agri-Food Innovation Alliance supports the people, places, and programs that address Ontario’s agriculture and food sector priorities - making discoveries and creating innovations that generate real world solutions that resonate the world over. As Canada’s Food University, we look forward to continuing our long-standing partnership with OMAFRA to ensure the people of Ontario have access to healthy, safe food, that our food producers and businesses have the information they need to be competitive and sustainable, and that the sector continues to be a powerful engine for economic development, job creation and trade.
**Graduate Student Research Presentations**

*There will be tea, coffee & breakfast pastries available at 8:20 am. Presentations will start promptly at 8:30 am.*
