

# Exam Due Dates

In order to get exams printed and delivered on time please have your exams in to Vanessa by the dates below. If your exam is not listed here please contact Vanessa.

If you do **not** require exams to be printed (it is an online exam) please let Vanessa know in advance.

If you will **require extra materials, such as videos**, for any of your exams, please let Vanessa and Jessica Mackinnon know ASAP as this affects our SAS students.

\*\* These dates have been changed slightly to accommodate for Jessica Mackinnon being on vacation. We need these exams sooner in order to accommodate for SAS students.
