To: Linda Wing <lwing@uoguelph.ca>;

- - This message is sent on behalf of Don O'Leary, Vice-President (Finance, Administration and Risk) - -

U of G's Guelph campus is working toward becoming smoke-free in spring 2019. We're helping build a healthy campus for everyone in our community. You can learn more at www.uoguelph.ca/smokefree.

Becoming a smoke-free campus is a complex, but important initiative. Extensive community consultation will help us create a policy that considers the various needs of our University.

I invite you to take part in any of the following community consultation sessions:

- Aug. 1 - 12:00 p.m. to 1:30 p.m. - McLaughlin Library, Room 246A
- Aug. 15 - 9:00 p.m. to 10:30 a.m. - OVC Pathobiology AHL, Room 4838
- Sept. 12 - 3:00 p.m. to 4:30 p.m. - University Centre, Room 442
- Sept. 27 - 11:30 a.m. to 1 p.m. - University Centre, Peter Clark Hall, Wing B (south)

In the fall, watch for conversation boards in different locations across campus where you can further comment on the Smoke-Free U of G initiative.

I encourage you to visit the Smoke-Free Campus website (www.uoguelph.ca/smokefree) where you will find:

- answers to frequently asked questions about the initiative
- information on smoking cessation resources
- details on why the campus is going smoke-free

You can also share your thoughts through the "Contact and Contribute" page on the Smoke-Free Campus website or by emailing smokefree@uoguelph.ca.

Your opinion matters. I hope you will take part in the conversation.

Sincerely,
Don O'Leary
Vice-President (Finance, Administration and Risk)
