

Biomed Open House & Grad Studies Networking

Thursday June 15, 2017

12 - 1:30pm, OVC 1713

This event is part of Summer CORE program. It is intended to expose our BSc and DVM summer students to the world of Biomed graduate studies.

12:00 - 12:10 Biomedical Sciences Research Opportunities Overview

[Dr. Thomas Koch](#), [Dr. Glen Pyle](#) & [Dr. Tarek Saleh](#)

12:10-1:00 Firsthand Information on the experience of being a Biomed Graduate Student

- Pharmacology and Toxicology
[Frances Simbulan](#), BSc. (Toronto)
- *MSc. candidate*
- Reproductive Biology and Development
[Rishi Sharma](#), BSc. (Waterloo)
- *MSc. candidate*
- Cancer Research
[Kathy Matuszewska](#) BSc. (Guelph)
- *Ph.D. candidate*
- Neuroscience
[Ari Mendell](#) BSc., MSc. (Guelph)
- *Ph.D. candidate*
- Cardiology and Physiology
[Rosephine Del Fernandes](#), BSc. (Guelph)
- *MSc. candidate*

1:00-1:30 Open House & Lab Tour

[Thomas Koch](#) & [Yu Gu](#)

Cancer Research Lab
Cardiovascular Research Labs
CgFARAD food safety Research lab
Molecular Diagnostics & Biomarker Discovery
Lab

Neuroscience Labs
Pharmacology and Toxicology labs
Regenerative Medicine Lab
Reproductive Biology and Development Labs
Stem Cell Biology Lab

Pizza Lunch is provided
