

ONTARIO VETERINARY COLLEGE
PET TRUST

February 27, 2017

Jane Bolt
123 First St.
Storyville, ON A1B 2C3

Dear Ms. Bolt:

We were truly sorry to learn of the passing of your beloved dog, Rover. In memory of your loving relationship with Rover, the Storyville Animal Hospital made a monetary donation to OVC Pet Trust at the Ontario Veterinary College, University of Guelph.

OVC Pet Trust honours the relationship between pets, their people and veterinary caregivers. This kind gift will support innovative discoveries, learning and healthcare and lead to advances in veterinary medicine to improve the health and well-being of our companion animals. We hope you will agree this is a meaningful tribute to your special friend. You can find out more about OVC Pet Trust at www.pettrust.ca.

As veterinarians and animal lovers we understand how painful losing a pet can be. We hope that you find comfort knowing this gift in memory of Rover will help us move veterinary medicine forward.

Our thoughts are with you at this difficult time.

Sincerely,

A handwritten signature in purple ink, appearing to read "Gordon Kirby".

Dr. Gordon Kirby, DVM, MSc, PhD
Associate Dean, Research and Innovation
