

Seeking Large Animal Veterinarian

Metzger Veterinary Services, located in Linwood and Chesley, Ontario is looking for a motivated and passionate Full-Time Veterinarian to join our team of 8 Veterinarians in a large animal practice.

The position is open to new grads and experienced veterinarians. Over the past 8 years, we have hired 5 new grads and all are still with the practice. This speaks of the strong mentorship available to recent grads and also speaks to the outstanding management style of the owner. Special consideration will be given to candidates with a strong interest in feedlot or swine medicine/nutrition. Qualified candidates should demonstrate: problem solving skills, adaptability, listening skills, strong communication skills and a willingness to effectively deal with the stress and complexities of various situations. It is essential that the candidate is able to promote collaboration and effectively work with others across the organization to achieve an end goal.

Our primary focus is feedlot practice. We have many small feedyards (100- 300 head) as well as many larger yards (500 – 8000 head). We are involved with herd health, production/economics consulting, protocol development, as well as much more individual animal medicine than most feedlot practices. We work with an increasing number of cow/calf herds, and our swine sector of practice is expanding. We are in Mennonite country, as such, we do help them with their buggy and plow horses on occasion. Across our 2 locations, our team includes 8 veterinarians with experience ranging from 2 years to 30+ years. We have 2 veterinary technicians, 7 cattle processors, and 13 customer support staff.

We have two fully stocked offices an hour apart from one another with laboratories, office space and meeting rooms. Our practice is solely mobile across Ontario and has access to two Digital DR X-ray systems, BSE equipment, endoscope, ultrasounds, portable tubs, chutes and one hydraulic squeeze.

Our practice is located very close to Kitchener/Waterloo and approx. 75 minutes from Toronto. We are also close to the countryside if you enjoy more of a quieter lifestyle with lots of outdoor activities available. All applicants should email their resume to office@metzgervet.com
