

## Wanted: Passionate Full Time Veterinarian to Join Us Downtown Toronto!

Here we grow again! A full service small animal & pocket pet practice in the heart of downtown Toronto, Wellesley Animal Hospital is experiencing unstoppable growth and we are expanding to accommodate! We continue to provide exceptional service to our well-established and ever-increasing client base in our current facility, while our specially designed, state-of-the-art hospital is being built from the ground up just a few doors down. Set to open in early 2018, our brand new facility contains multiple exam rooms, sophisticated surgery and dental suites, a large treatment area, in house diagnostics, and a fully stocked pharmacy. Other highlights include cutting edge diagnostic equipment such as digital (and dental) radiographs, surgical laser, therapy laser, and ultrasound. The facility also contains a full service grooming section and boutique area for food & supplements.

Our staff are our strongest asset, and we consider them to be family. We are extremely proud of our employees, who provide consistently exceptional quality care and customer service to our clients. We are looking for an individual who values and contributes to a positive work environment as much as providing the highest calibre of care to our patients. We provide many benefits to our employees, including competitive wages, CE allowance, discounted diagnostics/services and supplies, and group benefits, to name a few.

You, as our ideal candidate, possess exceptional customer service skills to encourage and maintain client trust, respect, and loyalty. Excellent diagnostic and surgical skills, and strong time management and organizational skills are imperative for success in this role. Preference will be given to bilingual applicants, particularly those fluent in Cantonese &/or Mandarin. Small mammal medicine is also a strong asset. New graduates are welcome & encouraged! Wellesley Animal Hospital is the youngest in a family of 3 sister clinics. Full time hours may potentially be spread among our sister clinics until our new facility opens.

Please forward a cover letter & resume to [jen at management@wellesleyanimalhospital.ca](mailto:jen@management@wellesleyanimalhospital.ca). To learn more about us, visit <http://wellesleyanimalhospital.ca/> and feel free to email any questions you may have. We look forward to hearing from you!
