

Associate DVM Opportunity- Sudbury, ON

[Baxter Animal Hospital](#) has been serving the community of Sudbury for over 15 years with a well- established, loyal clientele. We are currently looking to add a full time **Associate Veterinarian** to our medical team – We are offering a full-time permanent position with a flexible schedule and generous compensation. This opportunity provides an amazing mentorship for a new graduate!

Sudbury is THE metropolitan centre of Northern Ontario with a multitude of service, entertainment, and shopping options. The city is surrounded by many lakes, hiking trails, parks, cottages, campsites and much more. All within a short drive. Ramsey Lake, located entirely within the city, is approximately 800 hectares in size with 34 km of shoreline. Our city is a fantastic home base for the outdoor enthusiast!

About the role

You will enjoy a dedicated, professional and experienced support team with a great clientele and a fully equipped facility. Some evening hours would be part of the schedule.

Duties:

Prevent, diagnose and treat diseases and disorders in animals and advise clients on the feeding, hygiene, housing and general care of animals.

- Diagnose diseases or abnormal conditions in individual animals
- Treat sick or injured animals by prescribing medication, setting bones, dressing wounds or performing surgery
- Vaccinate animals to prevent and treat diseases
- Perform routine, emergency and post-mortem examinations
- Advise clients on feeding, housing, behaviour, breeding, hygiene and general care of animals
- Provide a range of veterinary services including obstetrics, dentistry and euthanasia
- May supervise animal health technologists and animal care workers

As our ideal candidate you will have:

- Passion for what you do every day! Enthusiasm, energy and a positive attitude are a must
- A strong desire to educate and build solid relationships with clients
- Solid communication skills, both when dealing with clients and interpersonal relationships

Educational requirements:

- Doctor of Veterinary Medicine from an accredited university
- Completion of college program in health science, or university degree in pre-veterinary studies
- Successful completion of NAVLE examination is required
- Provincial license or eligibility is required
- Practical experience is required
- 6 months - 1 year of related experience in a veterinary clinic

If you believe this sounds like a great fit for you, please contact Tamara Jabaly with your resume at tamara@vetstrategy.com
