

Ontario Veterinary College's DVM Program Quality Assurance Process

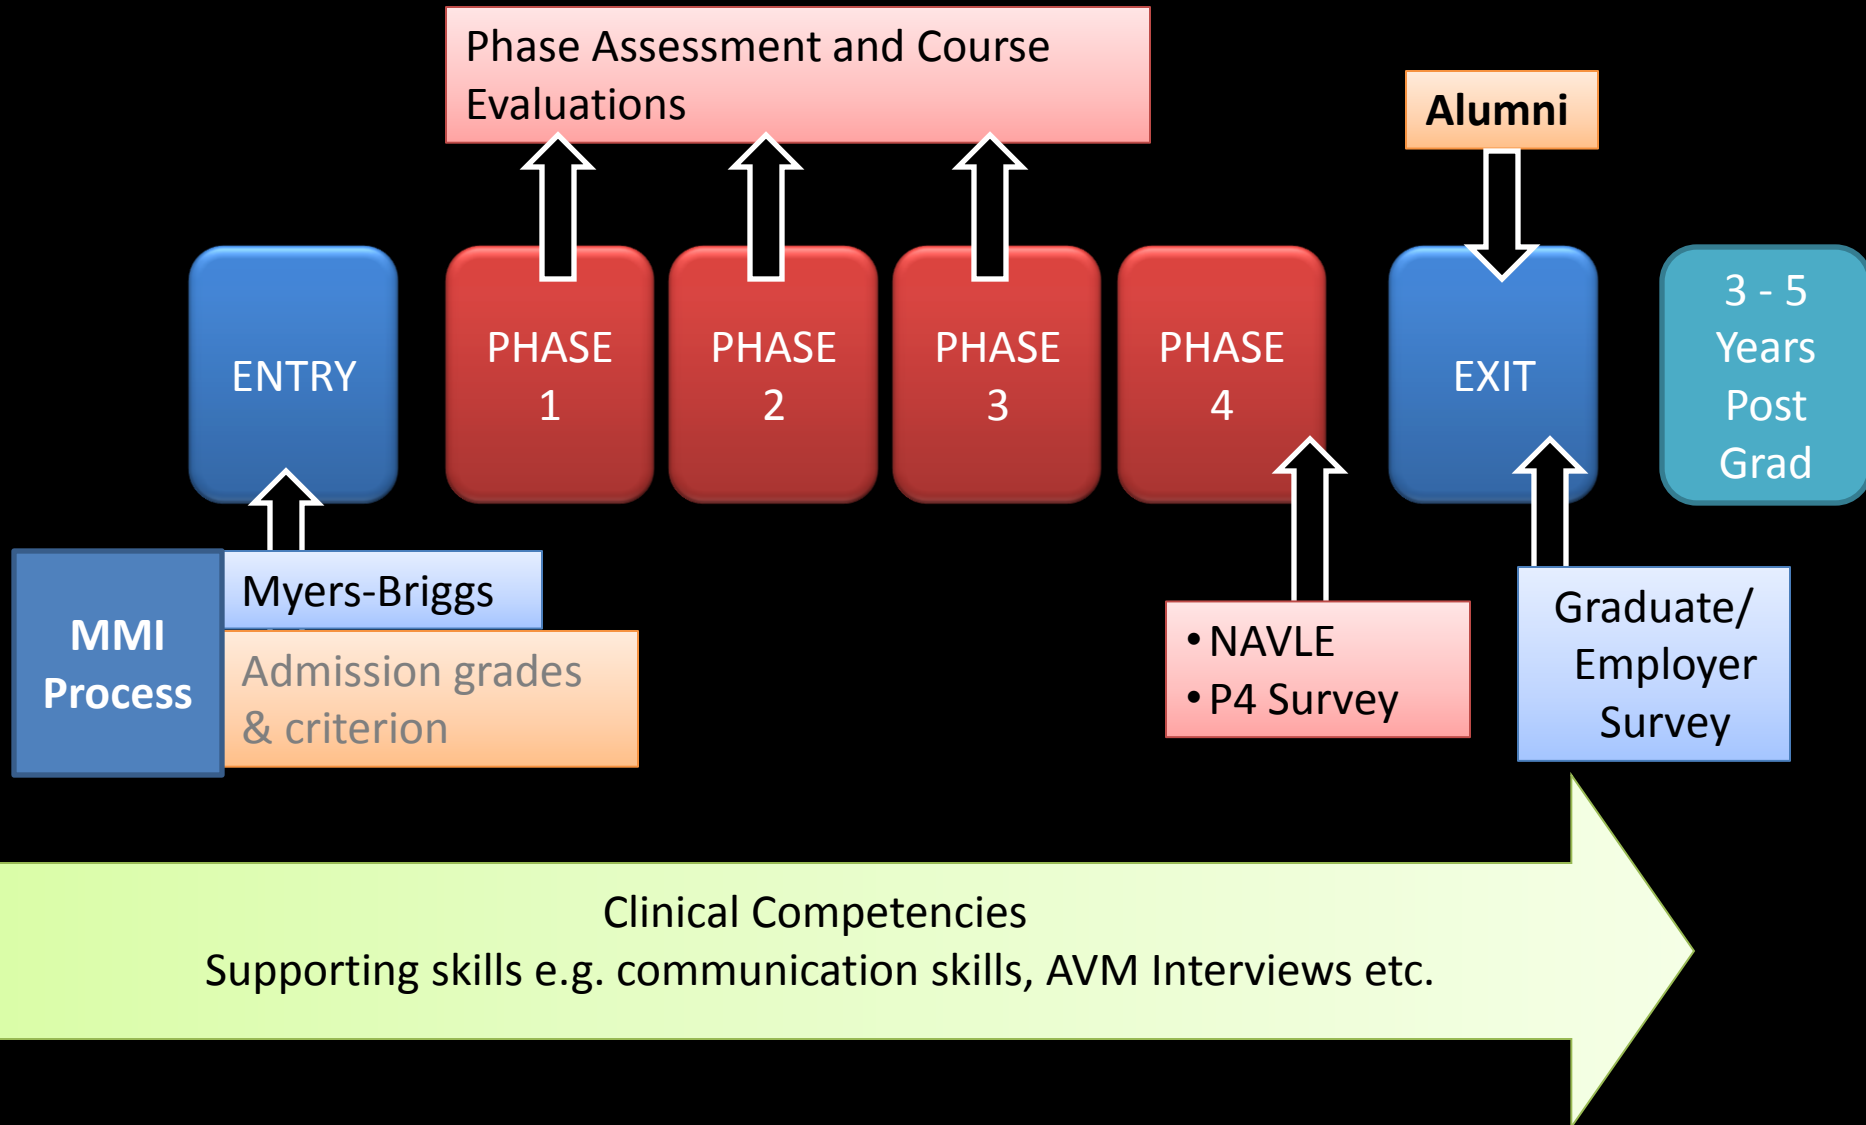

Dr. Kerry Lissemore
Dr. Peter Conlon
Dr. Dale Lackeyram

What is the Program Quality Assurance Process at OVC?

- Required process as part of our accreditation
- It is an ongoing process
- Spans the entire program

The Feedback Map

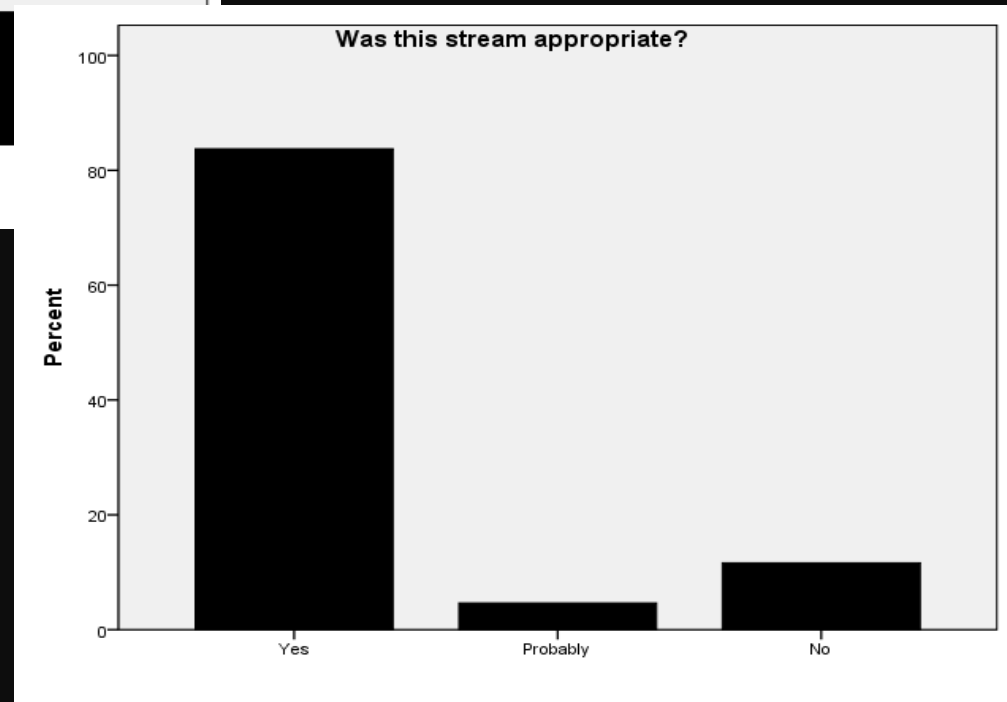

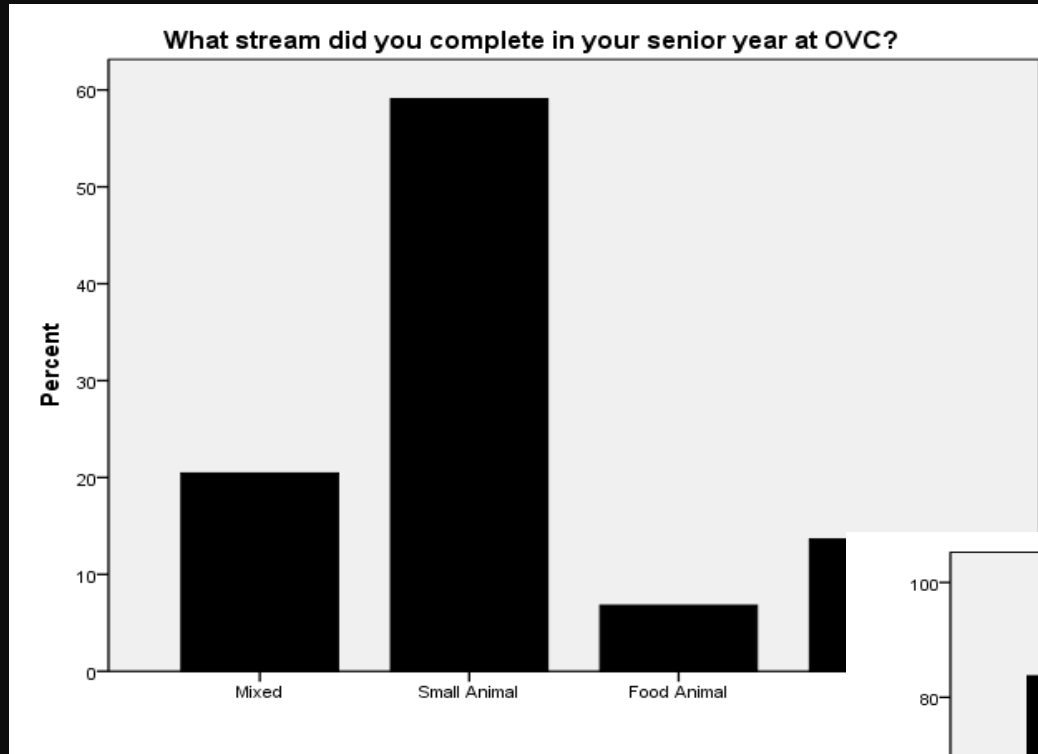

What is the Program Quality Assurance Process at OVC?

- Required process as part of our accreditation
- It is an ongoing process
- Spans the entire program
- **We use information internally and externally**

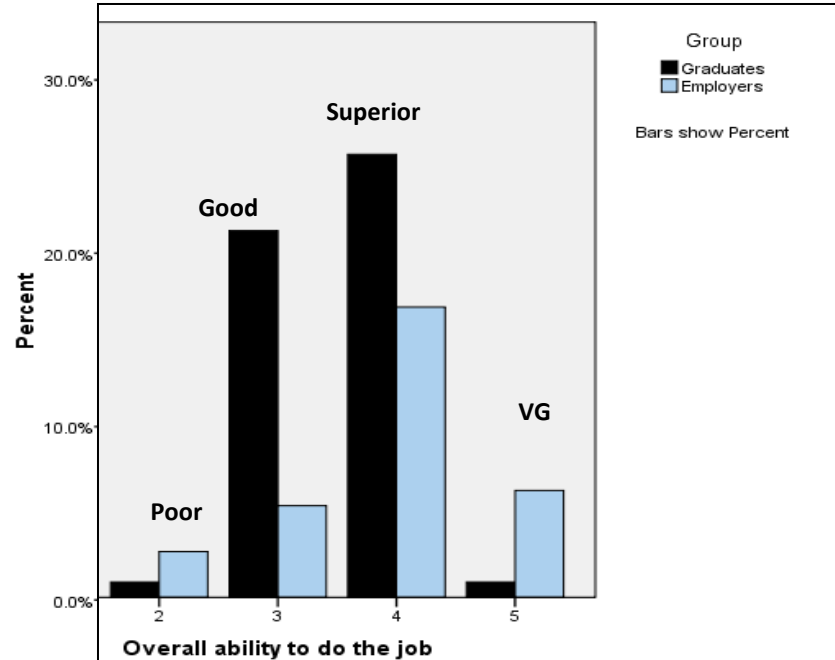

Employer and new graduate satisfaction with new graduate performance in the workplace within the first year following convocation from the Ontario Veterinary College

Daniel G. Butler. Can Vet J. 2003. May;44(5):380-391

Examples of how we present the data that we collect

Examples of how we present the data that we collect

“We hired a real winner last year. I admit, I have not always been as impressed with post graduate vets.”

“graduates demonstrate a good ability to work on their own with confidence”

“ graduates are have very strong communication skills ... and interact well with clients”

- employee posting /inappropriate pictures and footnotes on Facebook

The Informed Consent Process

The Purpose

- Internally – Ongoing process that you participate in
- Externally – in order to include your information as part of the aggregate data that we publish we need your permission

The Procedures
