

# DVM 2000

## Program Review

Kerry Lissemore

Dale Lackeyram

# DVM 2000 Program Review

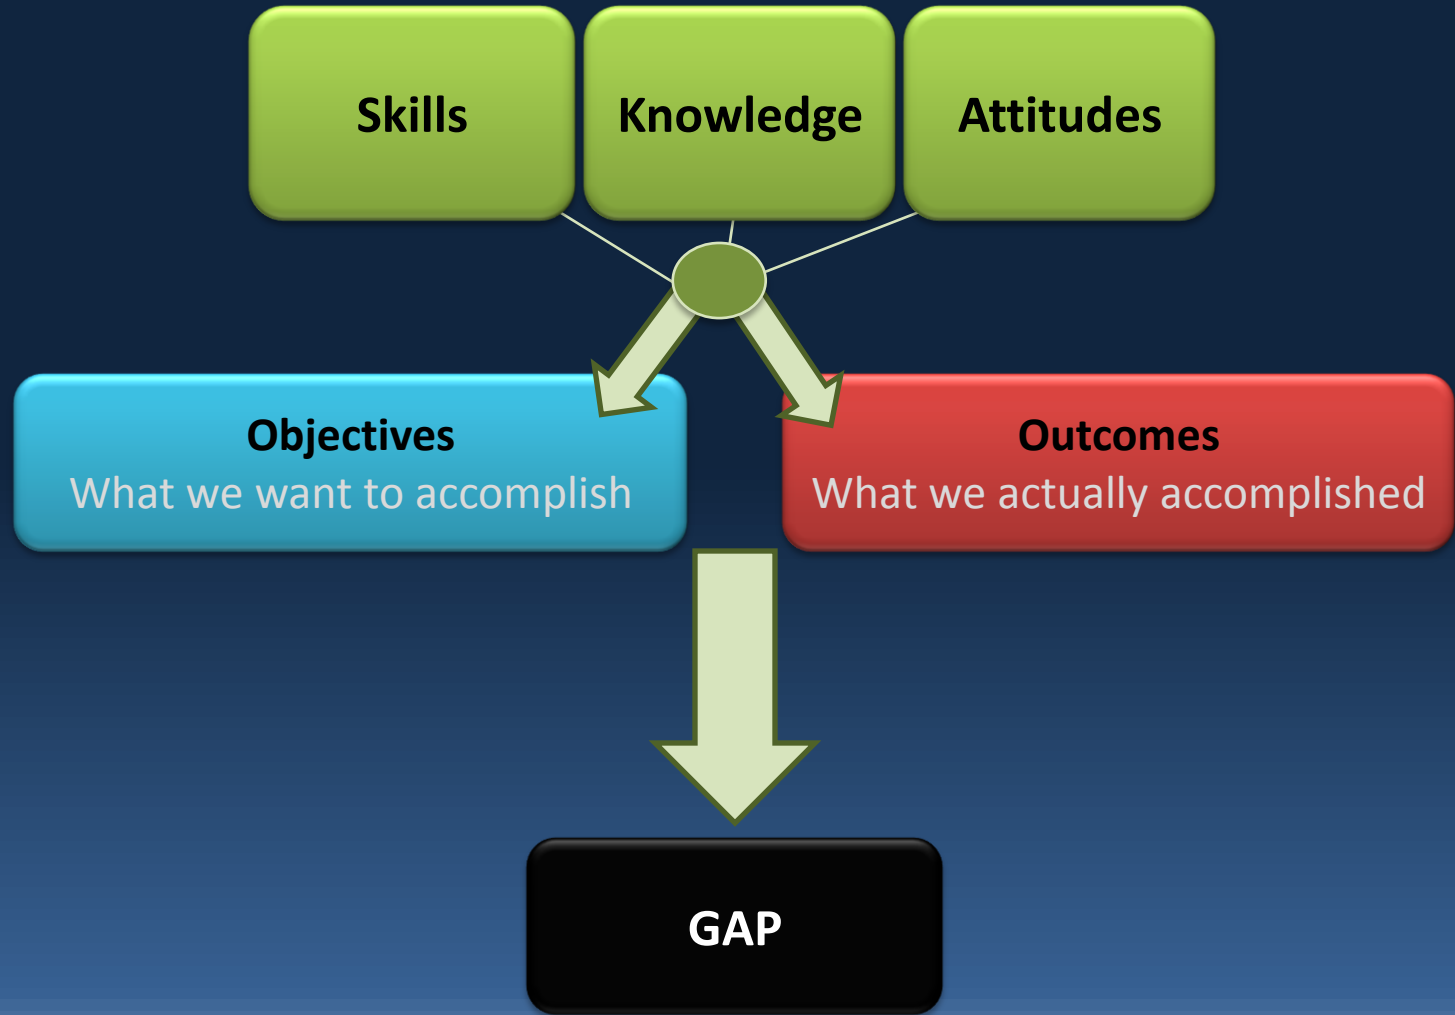

*DVM 2000 is based on 13 competencies*

*-7 general    - 6 veterinary*

## Goal

Evaluate how well we are achieving these competencies within the DVM program

# The Approach

# Program Gap Analysis

Where did the gap originate?

Unrealistic Initial Goals & Objectives

Changed Goals & Objectives

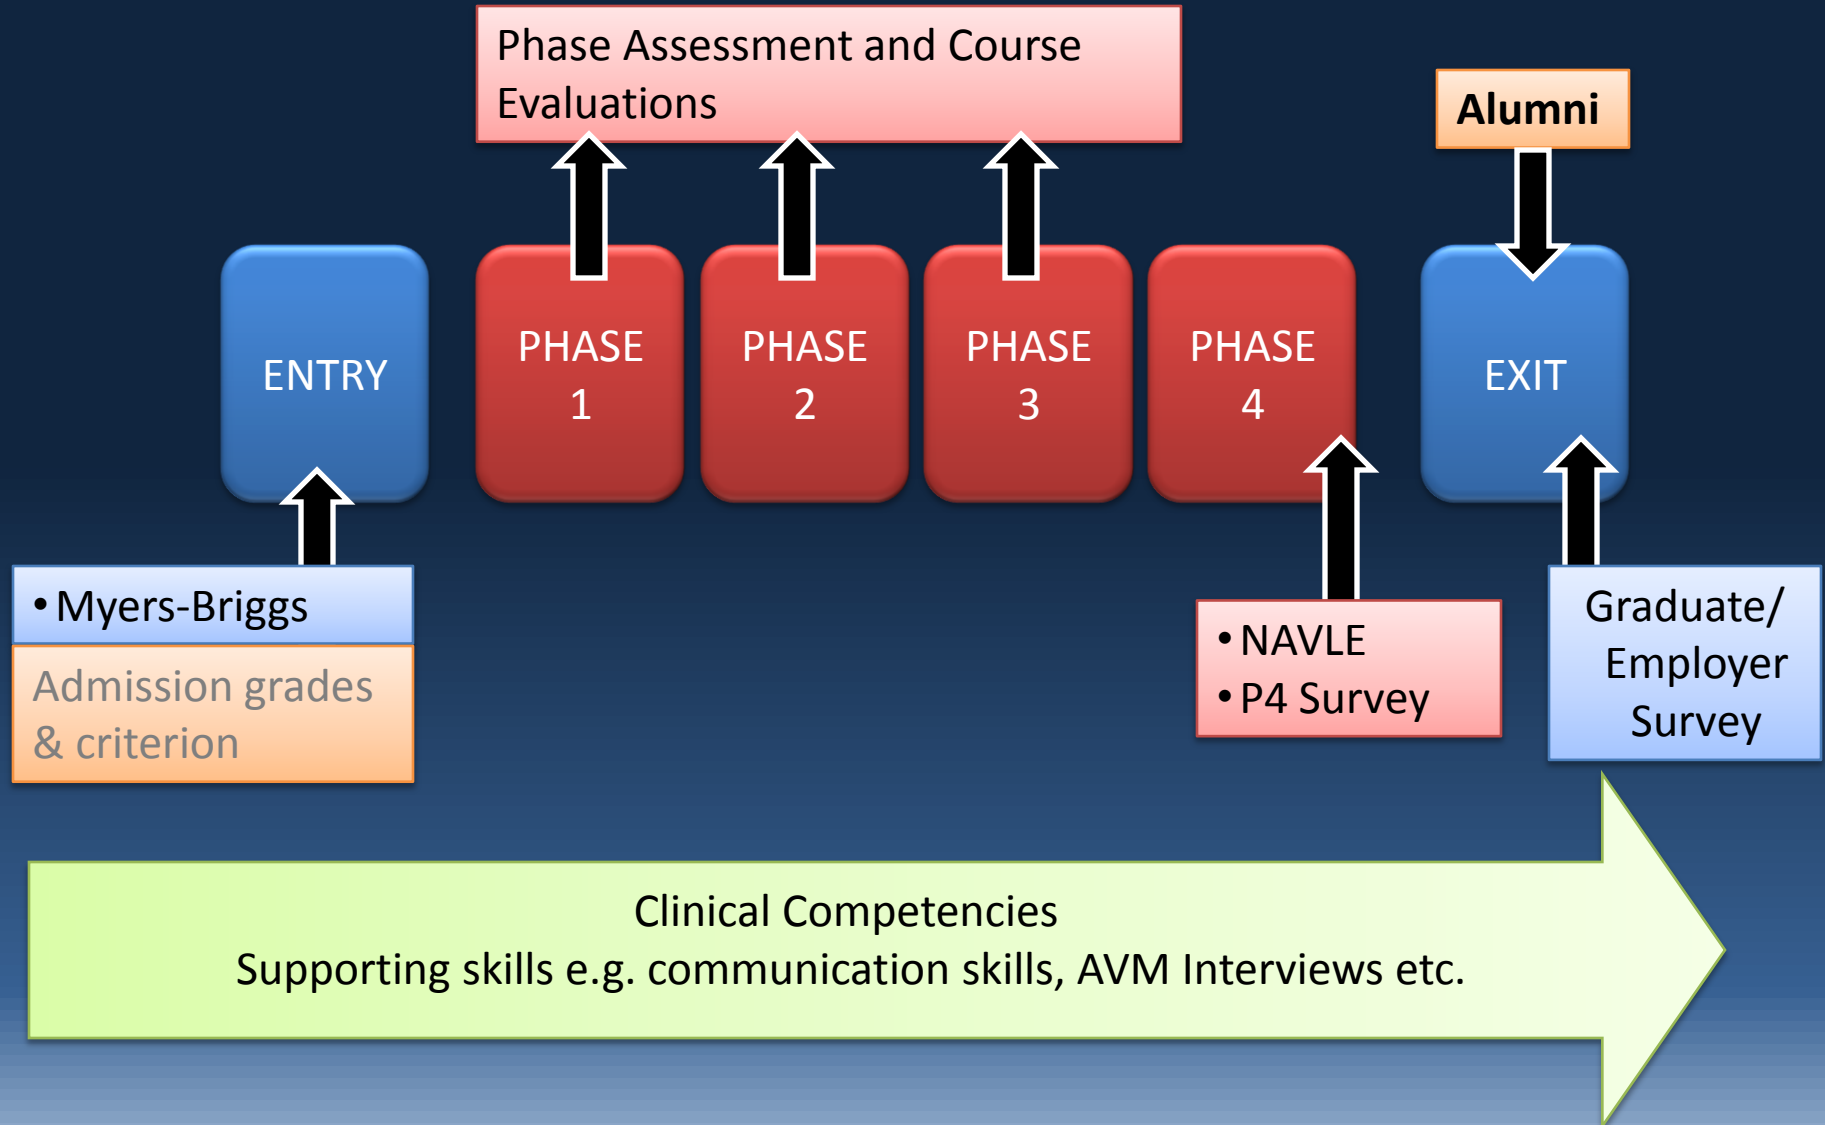

**GAP**

Review existing objectives

Identify new objectives  
Implement process

# The Assessment Map

# 4 Major Objectives

Review the DVM 2000 Program objectives

1

Evaluate, review and align existing assessment instruments

2

Identify existing curricular innovations and gaps

3

Develop timelines to address identified gaps

4

# Process

## Step 1 - External Comparisons

DVM Graduate  
DVM Employer/ Professional

## Step 2 - Internal Comparisons

By Phase  
Among Phases

## Step 3 - Professional Comparisons

NAVLE  
Professional standards

## Step 4 - Other Comparisons

Alumni  
Educational Literature  
Other institutions

Revision of the  
Graduate and  
Employer  
Surveys

September  
2010

September  
2011

# External Comparisons

## The DVM Graduate

- What does the DVM graduate have to say about their OVC experience (SKA's)?

## The DVM Employer

- What does the DVM employer have to say about OVC graduates (SKA's)?

Accomplished by September 2010

# Internal Comparisons

## By Phase

- What does each Phase contribute to the DVM program (SKA's)?

## Among Phases

- What are the contributions of each Phase (SKA's) to other Phases?
- What did each Phase benefit from in the previous Phases?

*(How this is done within a Phase is not going to be assessed at this time)*

April 2011

# Professional Comparisons

## NAVLE

- What do our NAVLE results tell us?

September 2010

## Professional Standards

- How do we address the external professional standards?
- Which professional standards do we promote within our curriculum?

September 2011

# Other Comparisons

## Alumni

- What do our alumni say about the skills, knowledge and attitudes they acquired while at OVC / from the DVM curriculum?
- How do we compare to the literature?
- How do we compare to other institutions?

September 2010

# 4 Major Objectives

Review the DVM 2000 Program objectives

May 2011

1

Evaluate, review and align existing assessment instruments

September 2011

2

Identify existing curricular innovations and gaps

September 2011

3

Develop timelines to address identified gaps

January 2012

4
